## **Health and Safety at Work**

The Company believes that excellence in the management of Health and Safety is an essential element within its overall business plan. – a good health and safety record goes hand in hand with high productivity and quality standards.

People are the most important assets to this company, and therefore we are totally committed to ensuring health, safety and welfare at all times.

From a legal perspective, the company is committed to ensuring that it complies with all relevant health and safety legislation. Where it is reasonably practicable to do so, the company will strive to go beyond the requirements of legislation.

Bin Busy's statement of General Policy: - to provide adequate control of the health and Safety risks arising from our work activities.

- To consult with our employees on matters affecting health and safety.
- To provide and maintain safe plant and equipment
- To ensure safe handling and use of all substances
- To provide information, instruction and supervision for all employees.
- To ensure all employees are competent to do all their task and provide adequate training
- To prevent accidents and cases of work related ill health.
- To maintain safe and healthy working conditions.
